Lloyd G. Penrod Directs Administration Activities

TO THE CLASS OF 1958:

In September 1945 a new group of boys and girls came to the Royerton School asking for admission. That group which was welcomed into the school, happens to be our Senior Class of 1958, of whom we are very proud. Our school and community has been highly honored for having had the privilege of working with you for the past twelve years. We wish to congratulate you for the many fine things which you have accomplished during your school career. All of you have had many fine experiences learning to work and play together.

As graduation approaches, many feelings will be experienced. Along with many of you, we, the students and the faculty of Royerton, will have saddened hearts with your departing. We will miss you when the school bell rings next September. We wish to express to you our most sincere feelings of appreciation for this fine Panorama. As you leave school life and enter life's school, we wish for you the very best. As you experience your life's journey, remember the many fine teachings of your parents, your church, your faculty, and your friends. Believe in yourself, and rest assured that feelings of joy, happiness, and success will be a part of your life.

—LOYD G. PENROD, Principal

ADMINISTRATION

To the men on these pages fall the duties and responsibilities of administration. These duties fall generally into three areas: education, business, and public relations.

An administrator's primary duty is the responsibility for seeing that the school meets the requirements of the State of Indiana in the field of education. He must then be responsible for setting up and administering a school program which best meets the needs of the people within the local community.

An administrator is responsible for functions of a school which necessarily come under the heading of "business." He must know and comply with the regulations set up by the state for the handling of money derived from various sources.

He is by the nature of his position the one responsible for public relations of the school. He does much to help the school be a living part of the community.

REDBIRDS CLOSE IN ON MISSISSINEWA

Coach Bob Baker's 1957, powerful grid machine rolled to their third straight undefeated season and fifth consecutive M.V.C. championship. The season was cut short by an outbreak of influenza, the last two games with Fairmount and Hartford City being cancelled. Assisting Baker in this year's campaign were Wally Gartee and Bob Carmichael.

The Redbirds rolled up 1,492 yards, as against 757 yards for their opponents.

For the first time in the school's history a Royerton gridman was named to the all-

COMBS PULLS DOWN REBOUND
IN REDBIRD VICTORY OVER HARRISON

The Redbird cagers under the capable guidance of coaches Gordon Stauffer and Myron Dickerson completed one of their most successful seasons in recent years. After early season difficulties, the Redbirds embarked on a ten-game winning streak. Included in this streak were victories over Desoto, Harrison, and Yorktown, which enabled the Redbirds to win the county tournament.

Consistent winning and four scattered losses left the cagemen holding a record of 17 wins and 4 losses at the end of the regular season. Losses were to Harrison, Alexandria, Dunkirk, and Middletown.

The Redbirds scored a total of 1,691 points to their opponents 1,330. Their offensive average was 70 points per game, compared with a defensive average of 57.3 points. A well balanced scoring attack featured Jack Yoder with 309 points, Nor-

man Locke with 342, Bob Combs with 313, Ernie Slusher with 255, Bruce Penrod with 224, and Mike Kerper gathered 122. These boys were backed by capable reserves.

Midseason was climaxed by winning the county tournament. The Redbirds defeated Desoto, Harrison, and Yarktown on their way to the championship. This was Royerton's first tournament win since 1953.

The Redbirds also added to their list of triumphs the M.V.C. Basketball Championship. This was the second time in conference history that the Redbirds have won the championship. The Redbirds finished with a record of 5 wins and 0 losses in conference play.

Graduating seniors include Mike Kerper, David Budd, Bruce Crockett, Ernie Slusher, and Bob Combs.

By finishing second in their weight division in the sectional, Ed Leicht and Dick Ellis won the right to advance to the regional meet.

spirit of the redbirds

Constant cheering from 150 cheerblock members led the Redbird team to a very successful season.

Having the **sharpest** cheerblock in the county tournament, the girls featured a Mickey Mouse skit. The spirit of the cheerblock nearly tripled at tourney time, greatly increasing school spirit.

Our Redbird cheerleaders have spent a great amount of time arranging and drilling the cheerblock. Pictured are Sally Fisher, senior, at top left; Dian Green, sophomore, at center left; Sara Lamb, sophomore, at bottom left, and Sandra King, freshman, at center bottom.

"Indian Summer Festival" was the theme for the 1957 Homecoming at Royerton. The opening event was the football game between the undefeated Redbirds and the Winchester Yellow Jackets. The strong Royerton team came through again to down the Winchester eleven 7 to 3.

During the half-time there was a performance by the combined forces of the junior high and high school marching bands. Highlighting the half-time ceremonies was the crowning of this year's homecoming queen, Miss Trula Clark. The name of the queen was not announced until half-time of the ballgame when Miss Janet Ray, 1956 homecoming queen, crowned the new queen.

Immediately following the ballgame a dance was held in the gymnasium for students, alumni, faculty members, and friends of RHS.

carnival capers

The Junior Carnival is a growing tradition at Royerton where the class of '59 added its showmanship to a long line of successful productions on October 18. The clowns, the barkers, the dancing girls, and the pitch-till-you-win games drew the crowds. This year talented parents and school personnel presented a variety show which will probably become a "must" in planning future carnivals.

senior scenes

On November 8, 1957, the seniors performed the play "Love Is Too Much Trouble." The setting was a hangout known as the "Poison Pot" located on the Ivy Gate College campus. The comedy concerned the romantic entanglements of college life at a small school where "everyone knows everyone else." The overly strict dean of women, the ineffective president, the scatterbrained Southern co-ed, the campus clothes-horse, and other familiar college characters enlivened the proceedings.

In between acts the Graduates, the boys quartette, and the girls sextette performed.

It's not an easy job, preparing copy, writing stories, and meeting deadlines. Much time must be spent on proofreading, typing, and copying before the monthly edition of the Royerton Review can go to the press. However, the rewards received and the experiences gained are gratifying.

preparation and planning can be a king-size headache for the editors, but it can also be a source of joy when it is completed.

Although there is much time and effort spent on these publications we could not complete the work without the help and assistance of our able adviser, Mr. Phillips. Our thanks to you for making the publication of this annual possible.
